

Hemp Forum

Friday, May 17th 2019, 2-5 pm

Illinois Central College, Lecture Recital Hall

Illinois Agri-Women and Illinois Central College Agri-Business Club

Join Illinois Agri-Women, Illinois Central College Agri-Business Club and a panel of speakers to discuss hemp, a crop with the potential to revolutionize agricultural practices and products! Where can you find your place in this rapidly growing industry?

Please visit www.illinoisagriwomen.org to learn more about our panelists, Maryann Loncar, Rachel Berry, Jennifer Sewell, Dr. Luke Haverhals and Jamie Campbell.

There will be a \$20 entry fee to the event. Please register ahead of time at www.illinoisagriwomen.org. Space is limited.
