

Illinois Agri-Women Coffee Chats – 2023
[Register Here!](#)

Jessica White

Jessica White is a Senior Staff Auditor for QAI/NSF International. She travels throughout the United States conducting regulatory and third party audits of the food supply chain. These audits are a crucial component of Organic, Gluten Free, Non Gmo, and True Source Honey certification.

Jessica was born and raised in Lee, IL and has a rooted family history in agriculture.

Her coffee chat will focus on discussion aspect of her career and day to day activities and her agriculture involvement story with you!
