Kristi Jones

Deputy Director of the Illinois Dept of Agriculture

Kristi Jones serves as the Deputy Director of the Illinois Department of Agriculture. She previously served at the Department in the positions of Division Manager of Natural Resources, Division Manager of Food Safety and Animal Protection, Communications Director and Bureau Chief of Non-Fair Events. Kristi spent four years as a management consultant for Kerber, Eck & Braeckel with a focus on implementation of the federal Workforce Innovation and Opportunity Act in the State of Illinois.

Kristi holds a Masters in Public Administration from the University of Illinois Springfield and a Bachelors in Agricultural Communications and Education from the University of Illinois Urbana-Champaign.

A native of Boone County, Kristi now resides in Springfield, IL with her husband and two daughters. You are most likely to find her at a swim meet, ballet recital, horse show, soccer tournament or walking Penny the labradoodle.
